**METOO.** Following the accusations of sexual abuse made last October against the movie producer Harvey Weinstein, women from all over the world stepped forward to reveal having been a victim of sexual harassment or assault which, in most cases, was perpetrated by men in positions of power. This movement generated the following two types of reaction. Generally speaking, do you personally think that:

**A...**it's high time that such inappropriate behaviours by men toward women were denounced and punished

**B...**apart from some exceptions, this movement confuses clumsy seduction with sexual harassment and we must defend men's right to hit on women as an integral part of sexual freedom
